

We're Launching an 8-Week Campaign to Meet a Growing Need

As summer arrives, we find ourselves in a place of deep need. Our monthly giving has dropped by **65%**, while operational and government costs in Nicaragua continue to rise. Simply put: **we cannot continue meeting the needs of the families in Cristo Rey without your help.**

Over the next 8 weeks, LTN will be sharing weekly how you can partner with us to continue providing daily bread and lasting hope to the community of Cristo Rey. You'll read testimonies from community members, watch videos, and see our ministry through photos. We are asking:

- 👉 **Would you consider giving an *extra gift* this month or next to help us close the gap?**
- 👉 **If you're part of a church with leftover mission funds at the end of a fiscal year, would you prayerfully consider allocating a portion to Life Together Nicaragua?**

Our need is to raise \$60,000.

We are trusting that **God will provide**—as He always has—and we believe **He may use you to be part of that answer.** This is an opportunity not only to meet an urgent need but to join in what God is actively doing in the lives of children, students, and families in Cristo Rey.

Why This Campaign Matters

Every week, we welcome **more children, more hungry families, and more students** in need of support.

We believe this growth is a sign of God's blessing—but also a burden we cannot carry alone. Your partnership allows us to **be the hands and feet of Jesus** in a community that deeply needs His love, nourishment, and hope.

God Is Moving in Cristo Rey—Thanks to You

Despite this financial challenge, we remain in awe of what God is doing—and it's only possible because of your partnership. Here's a snapshot of the fruit your generosity has made possible *just this year*:

- ✓ Our new office building is complete!
- ✓ We joyfully hosted 5 mission teams.
- ✓ We expanded our team—welcoming new staff and promoting faithful leaders.
- ✓ We served 24,086 meals to children and seniors.
- ✓ 546 new children and seniors joined our feeding program.
- ✓ 84 students are currently enrolled in elementary, high school, and university.
- ✓ And most importantly, **9 teenagers gave their lives to Jesus!**

How to Give During this 8-week Campaign:

💵 By Check:

Life Together Nicaragua

P O Box 392

Saline MI 48176

🌐 Online: [Churchteams link](#)

Please pray with us through these lean summer months. Every gift matters. Every prayer counts. And every act of generosity brings hope to someone who needs it today.

Together, we can feed bodies, nurture minds, and share God's love in Cristo Rey.

With love and gratitude,
The Life Together Nicaragua Team
